

We are hiring Hospital Neonatologists

Sidra Medical and Research Center

Member of Qatar Foundation

This is a unique opportunity for highly motivated, skilled and enthusiastic clinicians. Sidra Medical and Research Center, a ground-breaking, ultra-modern, all digital clinical and research facility in Qatar, is looking for Pediatricians with at least 3 years of clinical experience in Neonatology to join their team in 2017.

The Division of Neonatology will provide 24/7, state-of-the-art world-class support for preterm and term neonates born with life threatening conditions, including respiratory, cardiac, renal and gastrointestinal diseases, congenital malformations and neonatal surgical emergencies, as well as advanced therapies such as cutting edge cardiorespiratory care, neurocritical, hemodynamic support, non-cardiac neonatal ECMO services in a collaborative manner with obstetricians, perinatologists and pediatric medical and surgical specialists, using a family and patient-centered approach to care.

The NICU will be the only Level 4 Center (54 beds, single or double-bed patient rooms), serving a rapidly growing population of more than 2.5 million people. Our center will be instrumental in meeting the related goals of Qatar's National Health Strategy. All pediatric medical and pediatric surgical subspecialties and sophisticated imaging and laboratory modalities are available.

As Sidra Medical and Research Center follows an American academic model, its bylaws state that only candidates with a North American board certification in pediatrics or CCT (or CCT equivalent) in pediatrics in the European Union who have at least 3 years of clinical experience in providing neonatology care can be considered for a Hospital Neonatologist position in the Division of Neonatology.

The mission of the Department of Pediatric Medicine at Sidra is to provide efficient, evidence and/or best practices-based medical care and follow-up of the patients. The care will be provided using a multidisciplinary approach in a compassionate, culturally sensitive and patient- and family-centered environment. We are seeking highly motivated and progressive individuals to join the team. This is an exceptional opportunity to be part of a project from its infancy and work towards the delivery of excellence in all aspects of care, teaching and research.

We are recruiting Board-certified Pediatricians with at least 3 years of experience in Neonatology. Sidra will be offering successful candidates highly competitive packages, including a tax-free salary and benefits. Full details of the package will be discussed at interview.

Informal discussions can be arranged with clinical leaders. Contact Usama Waheed directly on +974 4003 7471 or via email: uwaheed@sidra.org for more information visit www.sidra.org
